

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

Figures in black indicate the days on which schools are in session. Figures in red indicate the days on which they are closed. Besides these, the half-days preceding Thanksgiving Day and Christmas Day are holidays.

The School Committee meets regularly, except during July and August, on the first and third Mondays of each month.

TERMS, HOLIDAYS AND VACATIONS.

The school year begins on the first day of September, and consists of two terms, viz.: The fall term, beginning on the second Wednesday in September, and the spring term, beginning on the first Monday in February.

All day schools are in session from the second Wednesday in September up to and including the Friday of the second calendar week preceding the fourth day of July, except on Saturdays and Sundays, and the following vacations and holidays: From 12 o'clock noon on the day before Thanksgiving Day until the following Monday; from 12 o'clock noon on the calendar day immediately preceding Christmas Day to and including the first day of the following January; the Twenty-second of February; Good Friday; the week beginning with the first Monday in April; the Nineteenth of April; Memorial Day; and the Seventeenth of June. Whenever any of the aforesaid holidays, except the first day of January, falls upon Sunday, the schools are not in session on the following Monday. Graduating exercises are held during the calendar week next preceding the Fourth of July.

The evening schools open on the first Monday in October and continue for twenty-two school weeks. Sessions are suspended on the evenings of legal holidays, on the Friday following Thanksgiving, and from the second Friday preceding Christmas Day to and including the first day of the following January; but when the first day of January of any year falls later than Tuesday of any week, the sessions are suspended on the remaining days of that week.

The term of the vacation schools begins on the Monday following the fourth day of July, and continues usually for six weeks.

Figures in black indicate the days on which schools are in session. Figures in red indicate the days on which they are closed. The schools close also at 12 o'clock noon on the day preceding Thanksgiving Day, and at the same hour on the second calendar day preceding Christmas Day.

The School Committee meets regularly, except during July and August, on the first and third Mondays of each month.

TERMS, HOLIDAYS AND VACATIONS.

The school year begins on the first day of September, and consists of two terms, viz.: The fall term, beginning on the second Wednesday in September, and the spring term, beginning on the first Monday in February.

All day schools are in session from the second Wednesday in September up to and including the Friday of the second calendar week preceding the fourth day of July, except on Saturdays and Sundays, and the following vacations and holidays: From 12 o'clock noon on the day before Thanksgiving Day until the following Monday; from 12 o'clock noon on the second calendar day immediately preceding Christmas Day to and including the first day of the following January; the Twenty-second of February; Good Friday; the week beginning with the first Monday in April; the Nineteenth of April; Memorial Day; and the Seventeenth of June. Whenever any of the aforesaid holidays, except the first day of January, falls upon Sunday, the schools are not in session on the following Monday. Graduating exercises are held during the calendar week next preceding the Fourth of July.

The evening schools open on the first Monday in October and continue for twenty-two school weeks. Sessions are suspended on the evenings of legal holidays, on the Friday following Thanksgiving, and from the second Friday preceding Christmas Day to and including the first day of the following January; but when the first day of January of any year falls later than Tuesday of any week, the sessions are suspended on the remaining days of that week.

The term of the vacation schools begins on the Monday following the fourth day of July, and continues usually for six weeks.
